

How to set up **Fingerprint Sign On** (for I-Phone 6 and above) for the HB Mobile Banking App:

- Go to Settings icon on your mobile phone
- Click on Touch ID and Passcode
- Add fingerprint (desired finger or all)
  
- Sign onto the HB Mobile Banking App
- Click on Preferences > Security > Touch ID > Swipe from OFF to ON

- Agree to disclosure
- Add Fingerprint (if you did not set it up under your Phone settings in the first step)
- Sign on using your ID/Password
- You will be prompted to use your fingerprint (Enable touch)
